MADAPALI

ORIGIN & MEANING

MADAPALI is a country in Kalinga (India), the original home of the ROYAL HOUSE of Jaffna. The Title MADAPALI was first created by SINGILY RAJAH (Usurper King SEGARAJASEKERAM VII) and conferred on PARARAJASINGHAM MUDALI, son of PARANIRUPASINGHAM (heir apparent to the Throne), and his descendants to appease their disappointment at being deprived of their heirship to the Throne. This Title indicates a class distinction of Royal Descent and was conferred in addition to the Royal Title of MUDALI on Pararajasingham and his descendants by SANGILY RAJAH.

CLASSES

There were THREE CLASSES among the MADAPALI Rankers:

1. RAJA MADAPALI & KUMARA MADAPALI are Titles belonging to those of the Royal Dynasty (HIGH ARIYA KULA) and entitle the holders to the Flag of the 'VICTORIOUS BULL' (NANTHI).
2. SANGU MADAPALI - Those not connected with the Royal Family.
3. CHARUKU MADAPALI - Those to whom Titular Rank was sold by the Portuguese.

In succeeding centuries there were great rivalries between the Madapalies and the Vellalas who became intermingled with selected or exclusive clans of Vellalas and called themselves CHETTY VELLALAS.

MADAPALI

ORIGIN & MEANING.

MADAPALI is a Country in Kalinga (North India), the original HOME of the ROYAL HOUSE of Jaffna. This Title was first created by SANGILY RAJAH (Usurper King SEGARAJASEKERAM VII) and conferred on PARARAJASINGHAM MUDALI son of PARANIRUPASINGHAM (heir apparent to the Throne) and his descendants to appease their disappointment in being deprived of their heirship to the Throne. This Title indicates a class distinction of Royal Descent and was conferred in addition to the Royal Title of MUDALI on Pararajasingham and his descendants by SANGILY RAJAH.

CLASSES.

There were THREE CLASSES amongst the MADAPALI Rankers:

1. RAJA MADAPALI & KUMARA MADAPALI are Titles belonging to those of the Royal Dynasty (HIGH ARIYA KULA) and entitle the holders to the Flag of the "VICTORIOUS BULL" (NANTHI).
2. SANGU MADAPALI - Those not connected with the Royal Family.
3. CHARUKU MADAPALI - Those to whom Titular Rank was sold by the Portuguese.

In succeeding centuries there were great rivalries between the Madapalies and the Vellalas who became intermingled with selected or exclusive clan of Vellalas and called themselves CHETTY VELLALAS.

MADAPALI

ORIGIN & MEANING

MADAPALI is a country in Kalinga (India), the original home of the ROYAL HOUSE of Jaffna. The Title MADAPALI was first created by SINGILY RAJAH (Usurper King SEGARAJASEKERAM VII) and conferred on PARARAJASINGHAM MUDALI, son of PARANIRUPASINGHAM (heir apparent to the Throne), and his descendants to appease their disappointment at being deprived of their heirship to the Throne. This Title indicates a class distinction of Royal Descent and was conferred in addition to the Royal Title of MUDALI on Pararajasingham and his descendants by SANGILY RAJAH.

CLASSES

There were THREE CLASSES among the MADAPALI Rankers:

1. RAJA MADAPALI & KUMARA MADAPALI are Titles belonging to those of the Royal Dynasty (HIGH ARIYA KULA) and entitle the holders to the Flag of the 'VICTORIOUS BULL' (NANTHI).
2. SANGU MADAPALI - Those not connected with the Royal Family.
3. CHARUKU MADAPALI - Those to whom Titular Rank was sold by the Portuguese.

In succeeding centuries there were great rivalries between the Madapalies and the Vellalas who became intermingled with selected or exclusive clans of Vellalas and called themselves CHETTY VELLALAS.
